Project ID: 1640-00-33/63  
Spring Green – Madison  
Wisconsin River to Oak Street  
USH 14  
Iowa County

Dear Sir/Madam,

The Wisconsin Department of Transportation (WisDOT) is seeking public input on proposed improvements to USH 14 from the Wisconsin River to Oak Street in the Village of Arena. An improvement project is currently scheduled for 2022.

We invite you to view the project presentation at <https://wisconsin.gov/Pages/projects/by-region/sw/us14-iowacounty/default.aspx>. The presentation provides details on the purpose and need for the project, and the preliminary design proposal.

The following needs have been identified on this section of USH 14:

- The pavement is deteriorating and has extensive cracking and rutting

The proposed improvements include the following:

- Remove 2.5-inches of the existing surface and pave 2.5-inches of new asphaltic material
- Install centerline and shoulder rumble strips
- Add new pavement markings

USH 14 will remain open to thru traffic during construction through the use of flagging operations.

We look forward to working with you on this important transportation investment. If you have any questions or comments, feel free to contact me by phone at (608) 245-2674; email [Mahesh.shrestha@dot.wi.gov](mailto:Mahesh.shrestha@dot.wi.gov); or by mail at 2101 Wright Street, Madison, WI 53704 by July 24, 2020.

Thank you for your time and attention.

Sincerely,

*Mahesh Shrestha, P.E.*

Mahesh Shrestha, P.E.  
WisDOT Project Manager
